Dear DC Comics' POWERPUFF GIRLS:

Your comics are looking super! Good job! I just want to let you know that I am the POWERPUFF GIRLS' #1 biggest fan! I got every issue! I never miss a single episode! I taped all of them, too. I got a music CD, video games, home videos, dolls, and more.

The movie is coming out in the summer of 2002? I can't wait to see the Girls on the big screen. On issue #5 of the POWERPUFF GIRLS, you all notice that my name is at the top. I don't have a favorite Powerpuff Girl. They're all so cute. I like them all.

I have some comments for Blossom, Bubbles, and Buttercup:

Dear Blossom:

You're the smartest of the group. When there's trouble you're always there to solve it.

Dear Bubbles:

You're pretty cute. You are the greatest fighter and you're funny.

Dear Buttercup:

You're the toughest tomboy. You're awesome!

Please print my letter and tell the girls that I just said "Hi!" Keep up the good work, DC Comics!

Dear DC:

Happy New Year! I'd like to thank whoever made the POWERPUFF GIRLS into a comic. I really enjoy reading their adventures. I may be 21, but I'm still a kid at heart. My best friend gave me my first POWERPUFF GIRLS comic. She brought one to me while I was receiving my dialysis treatment on my kidneys. I decided to collect comics, especially the DC line! I was wondering if it was at all possible to include my drawing in an upcoming issue?

I have a suggestion for an issue. I don't know if this has been done yet, but

how about having the Amoeba Boys invent a ray to turn one of the Powerpuff Girls into an enemy? And then, let's say Buttercup wreaks havoc in Townsville and Blossom and Bubbles can't seem to find a way to stop her, so they turn to the Professor (Utonium) for help. In the end, getting zapped by the same laser that made her evil is the only way to save Buttercup. Once they get the ray, they can adjust it with sugar and spice and everything nice in order for her to get back to normal.

Well, I must go for now. Keep the issues coming! Thanks for reading.

Welcome to the wonderful world of comics, Lupe. We hope that this is the beginning of a long life, good health, and tons of comics.

Your story is good — so good, it was done long ago in "Los Dos Mojos," the episode in which Bubbles thought that she was Mojo Jojo.

Dear Cartoon Network:

I hope you like Beans. Beans is very friendly, cheerful, and mostly like Bubbles. She loves stuffed animals, and her favorite color is red. She has a ponytail, blonde hair, and a red uniform. Please use Beans (but you don't have to).
